Consent

Please read and sign below for your application to be reviewed:

I allow the Sault Ste. Marie Innovation Centre to provide the information I included in my Vulnerable Persons Registry (VPR) registration form to local fire, police and paramedics for use during emergencies. I understand that I rely on electricity for life-sustaining equipment such as oxygen, my information will also be provide to PUC Services Inc. and Canadian Red Cross for use during power outages (For residents of Sault Ste Marie only). I know that it is important for me to ensure that the VPR program has accurate and up-to-date information at all times. I understand that I still need to call 9-1-1 in an emergency and am also responsible for having an emergency plan in place in order to be prepared to remain safe for at least three days. I recognize that the VPR does not guarantee my safety, but is an added safeguard where local emergency service groups will make every effort to increase the possibility of my safety during emergencies.

I understand that if I am approved, my information will be available to authorized local emergency service groups within 45 days of receipt of my application. I also understand that I will be notified of the date on which my information will be made available to those authorized emergency service groups. I further understand that as part of the program, six-month updates are required using whichever method I have selected. I acknowledge that the VPR Coordinator will make every effort over a two-month period to complete an update; however, if unsuccessful the VPR Coordinator can remove me from the VPR and I will be notified accordingly. I know that I can request to be removed from the VPR at any time.
