

THE CORPORATION OF THE TOWNSHIP OF CHAPLEAU

BY-LAW NO. 2000-24

Being a by-law to reduce  
and control noise.

Whereas it is expedient to exercise the power conferred upon the Council by the Environmental Protection Act, R.S.O. 1990, as amended, and other statutory authority: And

And whereas the people have a right to and should be ensured an environment free from unusual, unnecessary, or excessive sound or vibration which may degrade the quality and tranquillity of their life or cause nuisance; And

Now Therefore, the Council of the Corporation of the Township of Chapleau enacts as follows:

1. INTERPRETATION

1. In this by-law,

(a) Construction

"Construction" includes erection, alternation, repair, dismantling, demolition, structural maintenance, painting, moving, land clearing, earth moving, grading, excavating, the laying of pipe and conduit whether above or below ground level, street and highway building, concreting, equipment installation and alteration and the structural installation of construction components and materials in any form or for any purpose, and includes any work in connection therewith;

(b) Construction Equipment

"Construction equipment" means any equipment or device designed and intended for use in construction or material handling, including but not limited to air compressors, pile drivers, pneumatic or hydraulic tools, bulldozers, tractors, excavators, trenchers, cranes, derricks, loaders, scrapers, pavers, generators, off-highway haulers or trucks, ditchers, compactors, and rollers, pumps, concrete mixers, graders, or other material handling equipment;

(c) Conveyance

"Conveyance" includes a vehicle and any other device employed to transport a person or persons or goods from place to place but does not include any such device or vehicle if operated only within the premises of a person;

(d) Council

"Council" means the Council of the Corporation of The Township of Chapleau;

(e) Highway

"Highway" includes a common and public highway, street, avenue, parkway, driveway, square, place bridge, viaduct or trestle designed and intended for, or used by, the general public for the passage of vehicles;

(f) Minister

“Minister” means Minister of the Environment;

(g) Ministry

“Ministry” means Ministry of the Environment;

(h) Motor Vehicle

“Motor Vehicle” includes an automobile, motorcycle, and any other vehicle propelled or driven otherwise than by muscular power; but does not include the cars of electric or steam railways, or other motor vehicles running only upon rails, or a motorized snow vehicle, traction engine, farm tractor, self-propelled implement of husbandry or road-building machine within the meaning of the Highway Traffic Act;

(viii) Motorized Conveyance

“Motorized Conveyance” means a conveyance propelled or driven otherwise than by muscular, gravitational or wind power;

(j) Municipality

“Municipality” means the land within the geographic limit of the Township of Chapleau;

(k) Noise

“Noise” means unwanted sound;

(l) Point of Reception

“point of reception” means any point on the premises of a person where sound or vibration originating from other than those premises is received.

2. APPLICATION

This by-law applies throughout the Municipality;

3. GENERAL PROHIBITIONS

No person shall emit or cause or permit the emission of sound resulting from an act listed herein, and which sound is clearly audible at a point of reception:

- (1) Racing of any motorized conveyance other than in a racing event regulated by-law.
- (2) The operation of a motor vehicle in such a way that the tires squeal.
- (3) The operation of any combustion engine or pneumatic device without an effective exhaust or intake muffling device in good working order and in constant operation.
- (4) The operation of a vehicle or a vehicle with a trailer resulting in banging clanking, squealing or other like sound due to improperly secured load or equipment, or inadequate maintenance.

- (5) The operation of an engine or motor in, or on, any motor vehicle or item of attached auxiliary equipment for a continuous period exceeding five minutes, while such vehicle is stationary unless:
  - (I) the original equipment manufacturer specifically recommends a longer idling period for normal and efficient operation of the motor vehicle in which case such recommended period shall not be exceeded; or,
  - (II) operation of such engine or motor is essential to a basic function of the vehicle or equipment, including but not limited to, operation of ready-mixed concrete trucks, lift platforms and refuse compactors; or,
  - (III) weather conditions justify the use of heating or refrigeration systems powered by the motor or engine for the safety and welfare of the operation passengers or animals, or the preservation of perishable cargo and the vehicle is stationary for the purpose of delivery or loading; or,
  - (IV) prevailing low temperatures make longer idling periods necessary immediately after starting the motor or engine; or,
  - (V) the idling is for the purpose of cleaning and flushing the radiator and associated circulating system for seasonal change of antifreeze, cleaning of the fuel system, carburetor or the like, when such work is performed other than for profit.
- (6) The operation of a motor vehicle horn or other warning device except when required or authorized by law or in accordance with good safety practices.
- (7) The operation of any item of construction equipment without effective muffling devices in good working order and in constant operation.
- (8) Notwithstanding anything contained in Item 3 (5) ( I to V) inclusive, no engine or motor in, or on, any motor vehicle or item attached auxiliary equipment, will be operated for a continuous period exceeding one hour (60 minutes) between the hours of 9:00 p.m. to 7:00 a.m., while such vehicle is stationary unless an exception is granted under Section 6.

4. PROHIBITIONS BY TIME AND PLACE

No person shall emit or cause or permit the emission of sound resulting from any act listed in table 3-1 if clearly audible at a point of reception within a prohibited period of time shown for such an area.

5. EXEMPTION

Public Safety

Notwithstanding any other provision of this by-law, it shall be lawful to emit or cause or permit the emission of sound or vibration in connection with emergency measures undertaken:

- (a) for the immediate health, safety or welfare of the inhabitants or any of them; or,
- (b) for the preservation or restoration of property; unless such sound or vibration is clearly of a longer duration or nature more disturbing, than is reasonably necessary for the accomplishment of such emergency purpose.

6. GRANT OF EXEMPTION BY COUNCIL

(1) Application to Council

Notwithstanding anything contained in this by-law, any person may make application to Council to be granted an exemption from any of the provisions of this by-law with respect to any source of sound or vibration for which he might be prosecuted and council, by resolution, may refuse to grant any exemption or may grant the exemption applied for or any exemption of lesser effect and any exemption granted shall specify the time period, not in excess of six months, during which it is effective and may contain such terms and conditions as Council sees fit.

(2) Decision

In deciding whether to grant the exemption, council shall give the applicant and any person opposed to the application an opportunity to be heard and may consider such other matters as it sees fit.

(3) Breach

Breach by the applicant of any of the terms or conditions of any exemption granted by council shall render the exemption null and void.

7. EXEMPTION OR TRADITIONAL, FESTIVE OR RELIGIOUS ACTIVITIES

Notwithstanding any other provision of this by-law, this by-law does not apply to a person who emits or causes or permits the emission of sound or vibration in connection with any of the listed traditional festive, religious and other activities:

- RINGING OF CHURCH BELLS

8. SEVERABILITY

If a court of competent jurisdiction should declare any section or part of a section of this by-law to be invalid, such section or part of a section shall not be construed as having persuaded or influenced council to pass the remainder of the by-law and it is hereby declared that the remainder of the by-law shall be valid and shall remain in force.

9. PENALTY

Every person who contravenes any provisions of this By-Law is guilty of an offense and on conviction is liable to a fine as provided for in the Provincial Offenses Act.

10. That By-Laws number 87-23 and 91-34 be and are hereby repealed in their entirety.

11. That this By-Law shall come into force and take effect on the 5<sup>th</sup> day of June 2000.

READ a FIRST, SECOND and THIRD time and FINALLY passed this 5<sup>th</sup> day of June, 2000.

---

Mayor
